

powers set forth in a charter granted by the State.

(3) For the Commonwealth of Puerto Rico, the island is considered rural and eligible for Business Programs assistance, except for the San Juan Census Designated Place (CDP) and any other CDP with greater than 50,000 inhabitants. CDPs with greater than 50,000 inhabitants, other than the San Juan CDP, may be determined to be eligible if they are “not urban in character.”

(4) For the State of Hawaii, all areas within the State are considered rural and eligible for Business Programs assistance, except for the Honolulu CDP within the County of Honolulu.

(5) For the purpose of defining a rural area in the Republic of Palau, the Federated States of Micronesia, and the Republic of the Marshall Islands, the Agency shall determine what constitutes rural and rural area based on available population data.

(6) The determination that an area is “rural in character” will be made by the Under Secretary of Rural Development. The process to request a determination under this provision is outlined in paragraph (6)(ii) of this definition.

(i) The determination that an area is “rural in character” under this definition will apply to areas that are within:

(A) An urbanized area that has two points on its boundary that are at least 40 miles apart, which is not contiguous or adjacent to a city or town that has a population of greater than 150,000 inhabitants or the urbanized area of such a city or town; or

(B) An urbanized area contiguous and adjacent to a city or town of greater than 50,000 inhabitants that is within one-quarter mile of a rural area.

(ii) Units of local government may petition the Under Secretary of Rural Development for a “rural in character” designation by submitting a petition to both the appropriate Rural Development State Director and the Administrator on behalf of the Under Secretary. The petition shall document how the area meets the requirements of paragraph (6)(i)(A) or (6)(i)(B) of this definition and discuss why the petitioner believes the area is “rural in character,” including, but not limited

to, the area’s population density, demographics, and topography and how the local economy is tied to a rural economic base. Upon receiving a petition, the Under Secretary will consult with the applicable Governor or leader in a similar position and request comments to be submitted within 5 business days, unless such comments were submitted with the petition. The Under Secretary will release to the public a notice of a petition filed by a unit of local government not later than 30 days after receipt of the petition by way of publication in a local newspaper and posting on the Agency’s Web site, and the Under Secretary will make a determination not less than 15 days, but no more than 60 days, after the release of the notice. Upon a negative determination, the Under Secretary will provide to the petitioner an opportunity to appeal a determination to the Under Secretary, and the petitioner will have 10 business days to appeal the determination and provide further information for consideration.

§ 4288.3 Review or appeal rights.

A person may seek a review of an Agency decision or appeal to the National Appeals Division in accordance with 7 CFR part 11 of this title.

§ 4288.4 Compliance with other laws and regulations.

Participating biorefineries must comply with other applicable Federal, State, and local laws, including, but not limited to, the Equal Employment Opportunities Act, the Equal Credit Opportunity Act, Title VI of the Civil Rights Act of 1964, 7 CFR Part 1901, subpart E, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975. Applicants must submit and will be subject to pre-award and post award compliance reviews with the terms and conditions set forth in Form RD 400–1, “Equal Opportunity Agreement” and Form RD 400–4, “Assurance Agreement.”

§ 4288.5 Oversight, monitoring, and reporting requirements.

(a) *Verification.* The Agency reserves the right to verify all payment requests and subsequent payments made

under this program, including field visits, as frequently as necessary to ensure the integrity of the program. Documentation provided will be used to verify, reconcile, and enforce the payment terms of Form RD 4288-5, “Repowering Assistance Program—Agreement,” along with any potential refunds that the recipient will be required to make should they fail to adequately document their request.

(b) *Records.* (1) For purposes of verifying the eligible project costs supporting payments under this subpart, each biorefinery must maintain in one place such books, documents, papers, receipts, payroll records and bills of sale adequate to identify the purposes for which, and the manner in which funds were expended for eligible project costs. The biorefinery must maintain copies of all documents submitted to the Agency in connection with payments made hereunder. These records must be available at all reasonable times for examination by the Agency and must be held and be available for Agency examination for a period of not less than 3 years from the final payment date.

(2) For the purpose of verifying compliance with the fossil fuel reduction and energy production requirements of this subpart, each biorefinery must make available and provide for the metering of all power and heat producing boilers, containment vessels, generators and any other equipment related to the production of heat or power required to displace fossil fuel loads with renewable biomass. These records must be held in one place and be available at all reasonable times for examination by the Agency. Such records include all books, papers, contracts, scale tickets, settlement sheets, invoices, and any other documents related to the program that are within the control of the biorefinery. These records must be held and made available for Agency examination for a period of not less than 3 years from the date the repowering project becomes operational.

(c) *Reporting.* Upon completion of the repowering project, the biorefinery must submit a report using Form RD 4288-6, “Repowering Assistance Programs—Reporting Form,” to the Agency annually for the first 3 years after

completion of the project. The reports are to be submitted as of October 1 of each year. The report must include the items specified in paragraphs (c)(1) and (c)(2) of this section.

(1) Documentation regarding the usage and production of energy at the biorefinery during the previous year, including both the previous and current fossil fuel load and the renewable biomass energy production.

(i) Metered data documenting the production of heat, steam, gas and power must be obtained utilizing an Agency approved measurement device.

(ii) Metered data must be verifiable and subject to independent calibration testing.

(2) Current utility billing data, indentifying metered loads, from the base energy use period.

§ 4288.6 Forms, regulations, and instructions.

Copies of all forms, regulations, instructions, and other materials related to this program may be obtained from the USDA Rural Development State Office, Renewable Energy Coordinator and the USDA Rural Development Web site at <http://www.rurdev.usda.gov/regs/>.

§ 4288.7 Exception authority.

The Administrator of the Agency (“Administrator”) may, with the concurrence of the Secretary of Agriculture, make an exception, on a case-by-case basis, to any requirement or provision of this subpart that is not inconsistent with any authorizing statute or applicable law, if the Administrator determines that application of the requirement or provision would adversely affect the Federal government’s interest.

§§ 4288.8–4288.9 [Reserved]

§ 4288.10 Applicant eligibility.

(a) *Eligible projects.* To be eligible for this program, the applicant must be an eligible biorefinery utilizing only renewable biomass for replacement fuel, and must meet the requirements specified in paragraphs (a)(1) through (a)(5) of this section.

(1) *Timely complete application submission.* To be eligible for this program, the applicant must submit a complete
